SAM LAWRENCE PARK MASTER PLAN INFORMATION SESSION

The City of Hamilton, Landscape Architectural Services will be hosting a Public Information Centre to kick-start the process for developing a Master Plan for Sam Lawrence Park. This park is located on Concession Street at Upper Wellington Street and the Jolley Cut. We invite you to join us to share your thoughts and ideas, and review the information that will be presented at the event.

The Master Plan will become the 'blueprint' for future park improvements.

This is the first of several community outreach events planned for the project. There will be various opportunities to provide input throughout the Master Plan process.

When: Tuesday, March 26, 2019
5:30pm – 7:30pm
Brief presentation 6:00pm

Where: Hamilton Public Library
Concession St. Branch
565 Concession Street
Hamilton, ON
